Volunteers participating in this program help fulfill a dire need of Brown County Child Protection Services. Volunteers assist the Department by providing supervision to children that are in out-of-home care during scheduled visits with their parents. The assigned volunteer is responsible for providing a safe, physically and emotionally secure environment during the visit. Visits typically occur at the Family Center or the Department. The volunteer's time commitment is flexible and determined by the hours they want to work and the available assignments. Typically, the volunteer supervises the same family on the same day and time each week.

Qualifications:

- Be dependable, flexible, patient and assertive. Volunteers should also be sensitive to the needs of the families we work with.
